KIDS’ KINGDOM OPERATING PROCEDURES

Philosophy & Purpose of Kids’ Kingdom

Believing that it is imperative for the Church to provide the parents of today and tomorrow every opportunity to “raise up a child in the way he should go...and when he is old he will not depart from it...” (Proverbs 22:6), Mt. Vernon Church’s purpose is to provide childcare for the children of the parents of Mt. Vernon Church, the Glade Community, and Jones County that will nurture the child in all graces—spiritually, cognitively, socially, physically, and emotionally of a well-balanced life.

We are committed to providing biblically-based, developmentally appropriate experiences that allow each child to advance in these graces of life at his or her own pace in a safe and loving environment. These experiences are facilitated through an effort to consistently provide hands-on learning opportunities in a child-centered environment where the staff models Christ-like characteristics.

Positive communication between the parent and center will assure program success.

Tuition is due by 6:00 p.m. each Monday. Tuition may also be paid monthly for those parents or guardians that prefer not to pay on a weekly schedule as long as it is paid in advance. Accounts that are not paid in full by Tuesday at 6:00 p.m. will be assessed a late fee of $30.00 (Unless prior arrangements are made with the Office.) If the delinquent account is not paid in full before the next week's tuition is due, another late fee of $30.00 will be assessed to the delinquent account. To avoid a second late fee charge of $30.00, the late tuition must be paid by 6:00 p.m. on Tuesday before the next payment is due on Monday. Please note that we do not have a vacation policy in effect and you must pay even if your child misses daily care and After-school care. We allow families of more than one to take a 10% discount on tuition weekly.

Any parent two weeks late with tuition results in Kids' Kingdom Learning Center not being able to continue services for child care to that family.

*Annual Registration Fee: (Non-refundable) - Changed January 2010* (Due at the 12 month anniversary of attendance - Office will notify you when due) Annual registration fees are due one per child. **Dismissal of a Child**

Kids’ Kingdom reserves the right to dismiss any child from the center. Dismissal may occur in the following instances: parent/guardian and/or child do not comply with the center policies, the Director of Kids’ Kingdom Learning Center or the Local Board Administration determines that a child has a behavioral, physical, and/or learning problem that the center is not equipped to handle, frequent late payments or delinquent account, and if a child is unable to act appropriately during group experiences and daily activities. Inappropriate behaviors that result in dismissal include: the use of foul or slang language, touching other students in an inappropriate manner, acting aggressively or violent towards teachers or other children, destroying the property of the center, teacher(s), or other children, as well as any other behavior(s) deemed inappropriate by the Director of Kids’ Kingdom Learning Center or the Kids’ Kingdom Board.

**ARRIVAL & DEPARTURE PROCEDURES**

**Release of Children from Kids’ Kingdom**

The procedures are as follows:

Your child will only be released to an authorized person listed on this form (parent/guardian and/or emergency contact). In case of an emergency or an unforeseen circumstance a parent/guardian may call the Office and give authorization for someone else to pick up their child with recognition approval of parent voice by Office Staff. If authorization is not received by the parent/guardian prior to pickup, the child will not be released. **ALL** individuals authorized to pick up your child, except parent/guardian, must bring a valid driver’s license because their license number & information will be checked against the information provided on the authorized pickup form. It is the responsibility of the parent/guardian to immediately notify the Administration of any changes to the pickup list.

**6:10 p.m. ------- $20.00 + $3.00 per each minute after 6:10 p.m.

(Example: If Late Pick-up Time is 6:18 p.m. the Late Fee = $44.00)
A fee of $30.00 will be assessed to an account when a check is returned to the Learning Center.

PROGRAM & ACTIVITIES INFORMATION

Child’s Personal Belongings

Please AVOID bringing toys or other unnecessary personal belongings to the center unless requested by your child’s teacher. “Special” toys and belongings might become lost or damaged if brought to the center and this would greatly upset your child. Help us to avoid hurt feelings and upset children by leaving your child’s toys at home. Your cooperation is greatly appreciated. If your child has a very “special” toy that he/she would like to share with his/her classmates, please talk to your child’s teacher and/or the director before bringing the toy to the center. Usually a “special” toy day can be scheduled. On “special” toy day, your child will be allowed to share information about his/her toy at a time specified by the teacher. After the sharing time is over, the toys will be placed in a safe area and returned to your child when they go home.

Clothing

1. Please mark your child’s jackets, sweaters, etc. with his or her name. This will help minimize the confusion of similar clothing.

2. Your child should wear comfortable, washable clothing. Clothing should be appropriate for a variety of activities and easy movement.

3. Tennis shoes with socks are considered appropriate footwear. Tennis shoes aid in enjoyable and comfortable playtime for your child.

4. Shoes MUST be worn at all times. (This does not apply to Infants: 8 weeks - 1 year.)

5. Some footwear is inappropriate for the playground and other activities. There are also some types of footwear that are dangerous because children may easily slip or fall. The following footwear is unacceptable: cowboy boots, thong sandals, and flip-flops. These types of footwear will NOT be permitted.
6. Each child should bring ONE complete (shirt, pants, underwear, socks) set of extra clothing, which will be left at the center. As the seasons/weather changes, it is the parents’ responsibility to maintain the appropriate types of extra clothing. If your child is in an infant or toddler class, bring the clothes and diapers requested by your child’s teacher. When your infant or toddler is enrolled, a letter from the teacher will be included in your parent packet explaining the required supplies for your child.

**Discipline Policy**

Kids’ Kingdom Learning Center purposes to provide your child with love, guidance, and opportunities for developmentally appropriate learning experiences within an environment that fosters Christian beliefs and principles. Since we believe in providing an age appropriate and actively engaging program, few discipline problems should occur because children who are actively involved do not have time to act out in a negative manner. We do realize that sometimes a discipline problem may occur, and we have outlined an appropriate discipline policy that never involves any form of corporal punishment. Kids’ Kingdom believes that children should be treated with love and guidance. Children will never be punished, mistreated, embarrassed, ridiculed, or left alone as a form of discipline. Children will not discipline other children.

Appropriate behavior is expected of each child; however, when a discipline problem does arise, Kids’ Kingdom will strive to teach acceptable behavior and self-control through the following practices.

**Discipline Practices:**

1. The teacher will **guide** the child in focusing on the **appropriate behavior**.

2. The teacher will **help the child realize** why his/her behavior choice was not appropriate.

3. The teacher will **guide** the child in a manner that **builds self-esteem** and **teaches self-control**.

4. The teacher will be **consistent** with the child and create a guidance plan that is **individualized** and **specific to the child**.

5. The teacher will **guide** the child in a manner that is **developmentally and age appropriate**.

6. The teacher will **never** use embarrassment, humiliation, making an example of the child, or physical/verbal punishment as an attempt in changing a child’s behavior.
Biting Policy

1. It is not uncommon for children to bite one another. There are many reasons why children bite including frustration, hunger, lack of self-control and/or a fear of personal space violation. Biting is often an impulsive way of gaining attention. Our caregivers give their undivided attention to the children, but preventing biting 100% of the time is virtually impossible.

2. If a child is bitten, our caregivers will focus their attention on the victim, thereby avoiding negative reinforcement of the biter. Our caregiver will clean the bite with antiseptic and apply a bandage. This procedure will be followed even if the skin is not broken. To avoid swelling, an ice pack will also be applied. The biter will be encouraged to "stroke" the victim in an effort to reinforce positive interaction.

3. Biting will remain confidential in our center. Both parents will receive an accident report concerning the biting. The parents of the victim will be notified at home or work if the bite is in a prominent place on the body, and/or is considered to be a serious injury.

4. The biter will be shown where he or she bit the victim. The biter will be advised that this caused pain and sadness for the victim. We want to teach the children how to love each other and interact with one another in a positive fashion. Our caregivers will monitor the "biter" in an effort to redirect him/her as needed.

Three occurrences of biting in a day warrant a call to the parents from the Director and is considered the first warning. Normally, a plan to deter biting will be discussed and a probationary period will be determined. However, if it is the opinion of the Director or the Board of Directors, that the biter's behavior poses a severe threat to the children, the biter may be suspended or discharged without notice.

If a child bites five times in one week the parent will be given a written warning and with three warnings the child will be dismissed OR 15 incidents of biting in a two month period they will be dismissed. Furthermore, the responsible teachers of each incident will have documentation placed in their personnel files.
Discipline Policy and Procedures

1. The teacher will remove the child from the situation by redirecting the child’s attention and/or providing the child with new opportunities or choices.

2. The teacher will explain in a firm but respectful manner the appropriate way for the child to deal with his/her problem.

3. The teacher will be consistent with this procedure for the duration of 3 times.

4. After the third attempt to redirect the child, the teacher will let the child take a “time out” so that he/she may think about their behavior, concentrate on self-control, and realize the importance of respecting others. After a brief “time out,” the child will begin interacting with the other children again.

5. Once the child re-enters the group of children, if he or she is unable to regain control, the director will provide assistance by following the same steps as the classroom teacher.

6. After an intervention by the director, if the child still refuses or is unable to regain control, the parents will be asked to intervene. The parents will be of help by offering reinforcement from home for their child’s appropriate behavior(s) and/or suggestions of how to handle their child’s inappropriate behavior(s).

7. In extreme situations, the dismissal of a child might occur after a conference involving the director, parent(s), and the MTVC Personnel Committee. Situations that may result in dismissal are outlined in the Kids’ Kingdom Policies and Procedures section of this handbook under the heading of Dismissal of a Child.

Transportation Policy

1. It is the responsibility of the parents to arrange transportation for their child to and from Kids’ Kingdom Learning Center.

2. Glade Elementary School bus will pick up and drop off students with authorization from the parent.

3. After school pick up will be at Northeast/South/West Jones Elementary Schools with prior authorization from the parent.
